

THE MUSIC-FIRST LINK-IN-BIO

SET.Bio puts your music, shows, merch, and more into one sleek, auto-updating hub—fully customizable to match your brand and built to grow your fanbase.

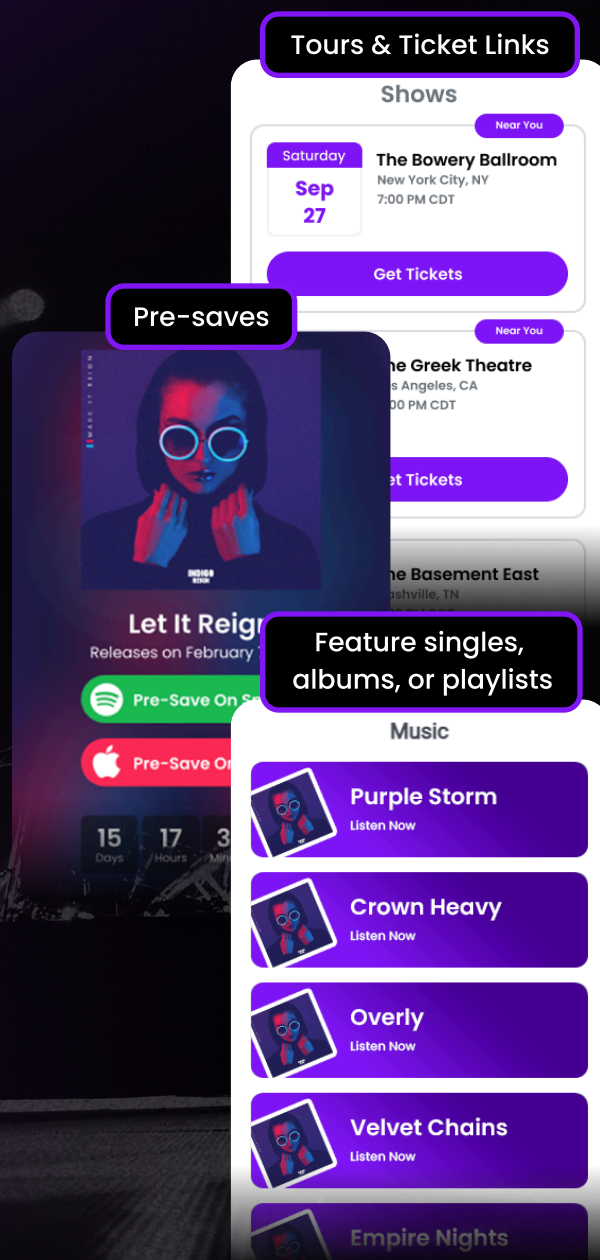

Fully Customizable Profiles

Fully customize the look and feel of their link-in-bio page—colors, fonts, layout, and more—so it matches your brand, your vibe, and your audience.

Powered by Smartlinks

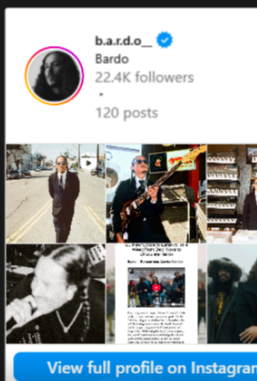

SET.Bio auto-pulls your latest music, pre-saves, and tour dates so your profile stays fresh—no more copy-pasting links or constant updates needed.

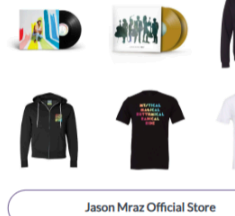

Built to Do More

Go beyond just linking out. SET.Bio lets you embed other profiles directly on your page, highlight your merch store, add unlimited custom links, and even collect emails or signups.
