

Saint Motel collected 6,000+ New Contacts on Tour!

American indie pop band **Saint Motel** used SET the SET leading up to and SET.Live at their live shows to engage their fans in a one-of-a-kind show experience—and captured 6,024 new contacts.

"Everything was great! The team was excited with the results and the live announcements of the winning songs added a unique element to the show. Looking forward to working with your team in the future!"
